

It's October, what a month! Let's catch up!

Welcome back to term 4! It's been such a lovely start at TheirCare, we have been settling in with our new resources having so much fun! This fortnight our favorites have been the LEGO table- making all different creations, arts and crafts table- using our imagination to create amazing things, our dramatic play spaces such as the kitchen/cafe area and our new dress ups!

Important information!

School closure days- On the 31st of October and 3rd of November we have school closure days at St Michaels. TheirCare will be open, if you are in need of care don't forget to enroll and book now through the TheirCare website- www.theircare.com.au

SunSmart safety- With summer coming up fast, we will be following our SunSmart policy. This will include using sunscreen before going outside- If your child requires their own sunscreen, please feel free to bring a bottle and we can store it safely. We also ask if everyone could bring in a SunSmart hat into TheirCare that can stay here to ensure everyone has their hats to use whilst spending their time at TheirCare.
